black &  
white  
copies

## [RUSH] MESSAGE:

- 1) The SPEC dated 6-17-04 has descriptions for Figures 3A + 3B, which seem to reference color pictures. In the artwork folder only a color drawing for Figure 3 was shown. Should there be 2 sets of color drawings for Figures 3, 3A + 3B.
- 2) The 11-28-01 spec does not show the required color drawing paragraph on Page 16. Please verify. Thank You TW

## [XRUSH] RESPONSE:

The attorney of Record Joseph Piro (949-253-4920) indicated he did send in black & white photos for scanning to replace any color photographs.

Further, He indicated he provided a Brief Description of the Drawing in the 312 Amndt dated 6/17/04.

There was no error on the part of the examiner or attorney & it would appear all is proper. The Printer is urged to call the attorney directly if there are any other concerns. INITIALS: JM

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
